### **Legislative Authorization of Programs**

The authorizations for VA's programs are contained in title 38 of the U.S. Code. With the exception of major medical construction projects and certain leases, annual authorization by the legislative committees and the Congress is not required. However, title 38 does provide for certain multiple-year authorizations for specific purposes. The authorization of the following items is limited by title 38 in regard to the time and/or amount as indicated:

Detail may not add to totals due to rounding.

\* Fewer than 500

(1) Veterans serving in more than one period of service are counted only once in the total.

(2) This sum includes veterans who served in multiple periods.

(3) World War I veterans who also served in World War II are counted in the World War II only.

Fewer than 500 veterans served in wartime prior to World War I.

(4) Veterans who served both in wartime and peacetime are only counted as serving in wartime.

(5) Includes those who served between World War II and the Korean Conflict, those who served between world War I and World War II, and those who served prior to World War I.
